

Scholarship Application

Date:

Please realize that the 5 Cities Swim School is a Private company. The owners receive no outside funding for scholarships. The owners do believe in keeping children safe in and out of water. Drowning's are the leading cause of death in the USA for young children. If you truly cannot afford swimming lessons, please fill out this form and we will do our best to give you some financial aid for swimming lessons. If you receive aid you will not be eligible for makeup lessons. Let's keep our children safe in and around water!
